TOWN OF SNOW HILL

Trash Collection Guidelines

YARD WASTE/LIMBS

Tree limbs: no more than 1-6 inches in diameter and no more than 6 feet in length.

Branches can be placed curbside in a pile no more than 5 feet long and 3 feet high for collection.

Branches must be able to be chipped in 15 minutes or less.

Large stumps, shrubs, and bamboo will not be collected.

Grass clippings, trimmings, and leaves can be placed in the roll cart with your normal trash for collection.

PENALTIES

Failure to remove or dispose of refuse within 10 days after service of notice will result in penalties assessed to the property owner.

TRASH ROLL CARTS

The Town of Snow Hill requires all residential and light commercial properties to use a roll-out cart provided by the Town for collection of garbage.

The Town will provide one (1) 96-gallon roll-out cart to each residential customer. Each cart should hold approximately EIGHT 13-gallon filled trash bags. There will be a \$20.00 quarterly fee billed to the utility account.

Town Public Works staff will deliver cart to the property address. Each cart will have a serial number assigned to the property address which will be written inside the lid of the cart. The carts are the property of the Town and must be left at the residence upon moving.

ONLY GARBAGE INSIDE THE CART will be collected. Property owners may request additional carts for an additional \$20.00 quarterly fee. Owners may also purchase additional carts from outside vendors if they are compatible with the Town's garbage truck. There will be no charge for collection from these carts.

Roll-out carts may be placed at the curb the night prior to collection but not before 5:00pm and no later than 6:00am on the day of collection. All carts shall be removed promptly after collection but no later than 10:00pm on the day of collection.

Roll-out carts and refuse may not be stored at the curb between scheduled collection times. A Q&A sheet is available on the Town website or at Town Hall.

BULK TRASH

Bulk items, such as a sofa, desk, etc. are considered bulk waste. These items will not be collected with normal collection.

To schedule a bulk pick up and obtain a quote for the collection fee, please contact Town Hall during normal business hours at 410-632-2080.

Bulk fees start at \$25.00 but are determined solely at the discretion of the Public Works Director.

EXCEPTIONS:

MULTIPLE FAMILY DWELLINGS OR HEAVY COMMERCIAL ENTITIES must arrange for a contractor for the collection of all solid waste and recyclables.
