- **All applicants must be aware that Community Legacy funds are awarded on a reimbursement basis only.** Grantees must have sufficient operating funds available to allow them to expend those funds on project expenses, provide the Town with copies of paid invoices, cancelled checks, and any other requested documentation, and then wait to be reimbursed for those expenses. This can sometimes be a lengthy process, so each applicant must be aware that this is a condition of the award.
- **The maximum** amount any applicant may request for **large building improvement projects** in this competitive funding round is **20,000.00** which **must** be matched **1:1**. **The property owner must spend \$1.00 for every \$1.00 of grant money received.** For example, if the grant is awarded for \$20,000, the property owner pledges to spend at least \$20,000 on the project of his own funding for a minimum of \$40,000.

- Applicant must be current with **all** payments to the Town of Snow Hill, with regard to water/sewer bills. Failure to do so will render an application for grant funds **ineligible**.
