Note from the Mayor

This is really a tough time for all of us. I write this with an extremely heavy heart having just found out about the loss of our very dear Tommy Mason. We are entering a crucial time in the war with this pandemic. How we act today and for the rest of the year will determine the toll that this disease will have on our small community. I cannot stress enough the importance of proper and constant mask wearing. Mask wearing, along with hand washing, is the thing that each and every one of us has complete control over. In a time when the world seems so out of control. Whether you wear a mask to protect yourself, someone you love or the life of a stranger makes no difference-just wear it!!!! Our businesses and restaurants are struggling, they are keeping their doors open to accommodate us, to give us somewhere to go and to provide services in these tumultuous times. Please be respectful of them and their efforts by adhering to the guidelines set forth by Governor Hogan and me. If you have questions regarding guidelines please use the references above or contact Town Hall. Let us all, please, make this a safe and happy holiday season by avoiding losses of our community members. I wish each and every one of you a Happy Thanksgiving, a Merry Christmas and a New Year filled with hope and promise for a better time for each of us. Please, take care of yourself, and others.

Best wishes,
Tammy
